

**2008 Flying H Genetics 28<sup>th</sup> Annual Quality Guaranteed Herd Bull Sale**  
**March 1, 2008**  
**Arapahoe, Neb.**

**144 Total Bulls \$3,038**

Flying H Genetics 28<sup>th</sup> annual bull sale saw some of the nicest weather ever bring out a standing room crowd of friends and progressive cattle producers to evaluate and price the offering. The bulls are available for viewing at the sale site, but are sold by video at ringside and more than 30 bidders joined the auction by phone.

Top selling bull was Lot 2, a Woodhill Foresight ET son out of an Advantage Gelbvieh donor, went to long time customer Richard Taylor for \$5,250. A total of five GelPLUS/Balancers brought \$5,000 or more. Top selling red GelPLUS/Balancer, Lot 152, went to repeat customer Reed Hamilton Ranch for \$4,400.

The purebred Gelbvieh bulls were topped by Lot 90, a Carolina Fortune son out of a Flying H Exclusive daughter and went to another long time family customer, Bledsoe Ranch for \$5,100.

The purebred Angus bull offering of mainly guaranteed calving ease heifer bulls was topped by Lot 120, an OCC Martin son, and was purchased by Ward Eckloff for \$3,500.

The 144 bulls sold into eleven states with three buyers taking home nine head or more.
