

Seedstock Plus 4th Annual Commercial Female Sale
December 8, 2007
Monte Vista, Colo.

Seedstock Plus hosted its 4th annual Commercial Female Sale that featured Seedstock Plus-Influenced genetics. More than 240 head of bred females from four area producers sold at Southern Colorado Livestock in Monte Vista to an active market. The sale established a strong price for top-end bred heifers. More than 200 bred heifers averaged \$1,263 with the majority of the heifers selling between \$1,150 and \$1,400.

Topping the offering was T-Heart Ranch with a group of black Angus x Gelbvieh cross bred heifers A.I.-bred to QV New Design 5022. Two groups were fetal sexed carrying bull calves and sold for \$1,400 per head. Rounding out the top end were two groups of Angus-cross, 3-year-old cows bred to KG Power Design sons from Veach Land & Cattle, which sold for \$1,300 each.

Representative Groups:

T-Heart Ranch	30 hd. Black Hfrs. carrying bull calves	\$1,400
T-Heart Ranch	20 hd. Black Hfrs. carrying hfr. calves	\$1,300
T-Heart Ranch	8 hd. Red Hfrs. carrying bull calves	\$1,300
