

Midland Bull Test Gelbvieh/Balancer Sale

April 2, 2008

Columbus, Mont.

Auctioneer: Joe Goggins, Jim Birdwell & Roger Jacobs

29 Gelbvieh Bulls \$2,062

Midland Bull Test hosted their 46th annual test and bull sale this year. This year, Midland added a feed efficiency test on part of the bulls sold. The bulls offered for sale this year were impressive, offering a lot of genetic diversity overall.

An ELK CK Crazy Horse son from M Heart D Gelbvieh of Stevensville sold to Honeyman Gelbvieh of Regent, N.D., for \$4,000 to top the Gelbvieh sale.

Middle Creek Farms of Bozeman consigned the next high seller, a January 2007 son of GKT Roper 18R. Maynard Smith of Eagle, Colo., was the buyer for \$3,100.

Also chiming in at a \$3,100 bid and rounding out the top sellers was another Middle Creek Farms entry. Lee Miller of Glen Ullin, N.D., took home a January son of ELK CK Crazy Horse.
