

Seedstock Plus 3rd Annual Commercial Female Sale
December 9, 2006
Monte Vista, Colo.

Seedstock Plus hosted its third annual Seedstock Plus Influence Commercial Female Sale on December 9 at Southern Colorado Livestock in Monte Vista, Colo. More than 800 head of bred females from 15 area producers sold on an active market. All of the producers are Seedstock Plus customers.

More than 600 bred heifers averaged \$1,060, with the majority selling between \$950 and \$1,150.

Rocky White topped the offering with a group of black Gelbvieh x Angus heifers A.I.-bred to In Focus. They sold for \$1,400 each.

T-Heart Ranch consigned the next two high selling groups of females. These black Angus and Angus-cross heifers were A.I.-bred to QV New Design 5022 and KG Power Design. Both groups were fetal sexed with the bred heifers carrying heifer calves selling for \$1,325 and the bred heifers carrying bull calves selling for \$1,250.

Rocky White rounded out the top end sellers with a group of young Gelbvieh bred cows selling for \$1,300.
