

Early Dawn Buckhorn Ranches Western Gelbvieh & Balancer Bull Sale
Sept. 29, 2006
Oakdale, Calif.
Auctioneer: Rick Machado

121 Bulls \$3,365

This fall sale would offer the largest volume of Gelbvieh genetics in the western states. The goal of this program has always been to produce quality in volume numbers for the commercial cattleman and judging from the success of this sale and past ones, that goal has been accomplished. Many of the buyers at this sale are repeat customers of this program, an indicator of the success the buyers are having with their purchases.

Volume buyers included Jack Sparrowk Ranches of Clements and Pitto Bros., of Dixon. Top sellers included:
