1	Gelbvieh Bull	\$2,100
<b>27</b>	<b>Live Lots</b>	<b>\$1,442</b>
7	Embryos	\$335

With the Heart of America Gelbvieh Association gearing up to host the 2007 AGJA Gateway Classic, halter-broke show heifers were in demand at the Show-Me Futurity Plus Sale in Columbia, Mo. Bad weather and slick roads definitely affected the sale with less people in the stands.

Topping the sale offering was Lot 10 from Myers Farm of Farmington. Maria Rash of Macon bid \$3,350 for this black daughter of Post Rock Top Brass. This open heifer will be competitive this summer in Sedalia.

Following closely at \$3,150 was Lot 1 from Hart Farm of Kansas City. This Post Rock Top Brass daughter out of an SLC Freedom female went home with Seth Rash of Macon.

Lot 5B from Hart Farm, a BTI Extra 2106K ET daughter out of an SLC Freedom female, caught the eye of Emily Swindler of Braymer. Emily bid \$2,850 for this female.

Other top sellers included:

Lot 2: \$2,600—A daughter of HFGC Gip Extra Hot P60 consigned by Hart Farm and sold to Austin Rash of Macon.

Lot 5A: \$2,500—A full sister to Lot 5B from Hart Farm sold to Daniel Worley of Farmington.

Lot 24: \$2,500—A homozygous black, homozygous polled daughter of JCGR Bar GT Mach One sold bred to RHRT Aaron ET. McKinley Worley of Farmington bought this Hartland Farm consignment.
