

National Western Celebrates 100th Anniversary in 2006

The National Western Stock Show celebrates its 100th Anniversary with the 2006 edition of this time-honored show in Denver, Colo. The National Western staff expects at least a 20 percent increase in the number of entries for this 100th edition. This has prompted some re-scheduling of livestock events to accommodate the increased numbers—including the Gelbvieh events during the 2006 National Western Stock Show.

For more information on special anniversary events during the 2006 National Western Stock Show visit the website at www.nationalwestern.com. Also available are special commemorative bronzes, saddles, boots, rifles, spurs, buckles and books. Contact National Western for the complete brochure at 303-299-5550.

Following is the revamped schedule for the 2006 American Gelbvieh Association National Convention, National Gelbvieh Show and related activities. Note that you can arrive on a Friday evening, do everything Gelbvieh-related at the National Western and return home on a Monday evening.
